

Main Level

Please help us keep your visit safe and the Natural Science Center a wonderful place to visit...

No Food or Drink

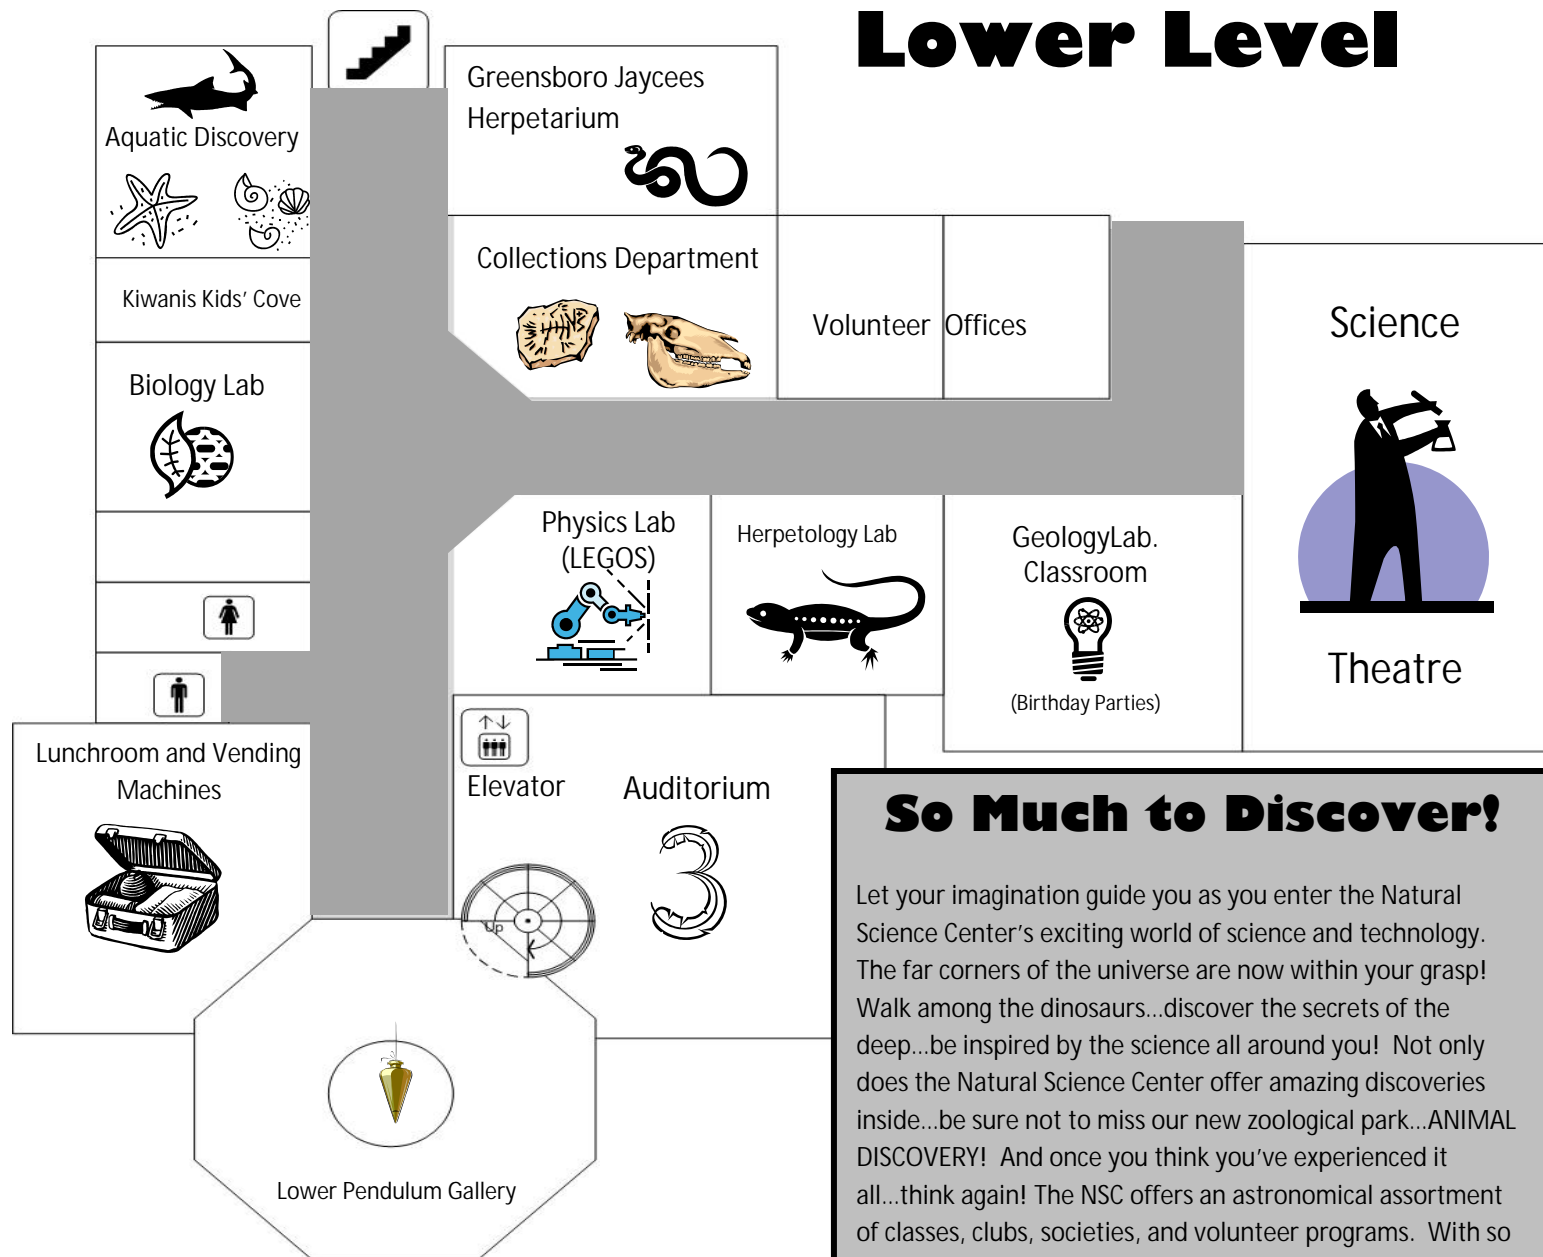

No Smoking

No SKATING SHOES

These rules apply both inside the museum and outside in Animal Discovery.

Thanks!

Lower Level

So Much to Discover!

Let your imagination guide you as you enter the Natural Science Center's exciting world of science and technology. The far corners of the universe are now within your grasp! Walk among the dinosaurs...discover the secrets of the deep...be inspired by the science all around you! Not only does the Natural Science Center offer amazing discoveries inside...be sure not to miss our new zoological park...ANIMAL DISCOVERY! And once you think you've experienced it all...think again! The NSC offers an astronomical assortment of classes, clubs, societies, and volunteer programs. With so many things to see and do, every visit to the Natural Science Center becomes an adventure.
